Starlux Airlines to Launch New Narita - Taipei Service on 16 December 2020

Starlux Airlines (IATA code: JX) will launch a new passenger service from Narita to Taipei on 16 December 2020. JX is a Taipei-based, full-service carrier in the spotlight since starting its operations in 2020. Focusing on the in-flight experience, JX offers an unforgettable flight experience in all classes and attends to every need of the passenger in an aesthetically pleasing art space.

The new Taipei route is expected to improve passenger convenience, deepen exchange between the two countries, and contribute to the development of economic activity.

Narita Airport will continue to expand its network to offer our customers a more convenient selection of destinations. We invite you to take advantage of the network of destinations and services provided by Narita Airport, now made even better by Starlux's Taipei Service.
