# Jetstar Japan to Launch New Tokyo(Narita) - Kaohsiung (Taiwan) Route from December 18, 2025

Jetstar Japan (IATA code: GK) will launch a new route between Tokyo(Narita) and Kaohsiung (Taiwan) from December 18, 2025. The Kaohsiung route marks the airline's first operation to the city and will be its second route to Taiwan in addition to the Taipei route.

The newly launched GK17 flight is the earliest departure among all Kaohsiung flights from Narita Airport. This allows travelers, particularly those who reside in Japan, to maximize their time of stay in the city and to fully enjoy their Kaohsiung trip from the very first day of arrival.

Kaohsiung is a port city located in the southern part of Taiwan, known for an attractive warm climate and open cityscape. In addition to the illuminated views along the Love River and the Dragon and Tiger Pagodas at Lotus Pond, the city offers many cultural and artistic spots, such as the Pier-2 Art Center. Moreover, it is a culinary paradise where visitors can savor famous seafood dishes at night markets, such as Liouhe Night Market and Ruifeng Night Market.

We invite you to take advantage of Narita Airport’s expanded network.
