Sagawa Express to open service counters for baggage delivery and temporary storage called "SAGAWA Baggage Delivery & Storage" in Terminals 1 and 2!

On Wednesday, July 22, 2026, **Sagawa Express Co., Ltd.** will open service counters for baggage delivery and temporary storage called "SAGAWA Baggage Delivery & Storage" on the arrival floors in Terminals 1 and 2.

These counters not only offer a standard home-delivery service but also offer **a same-day delivery service to hotels in 10 wards in Tokyo* and Urayasu City, Chiba Prefecture**, as an effort to promote the "hands-free travel campaign, which aims to eliminate the inconvenience of carrying your baggage.

* Ten wards in Tokyo: Shinagawa, Shinjuku, Ota, Shibuya, Chuo, Bunkyo, Chiyoda, Taito, Minato, and Koto Wards
In addition, for standard baggage delivery (excluding same-day hotel delivery) and temporary storage, **if you apply in advance, the check-in procedure at the counter can be completed just by scanning a QR code, allowing you to go through the procedure smoothly**, so we invite you to take advantage of this service.

Moreover, the company also plans to open these service counters on the departure floors in the future. Once these counters open, they will offer a service that allows you to pick up the baggage that you have shipped in advance from your home or hotel.

Narita Airport will continue to proactively introduce services that make your travel more convenient and comfortable, striving to enhance the value of passenger experience.
