

Narita Airport Announces Opening of Facilities for Domestic Passengers at the North Side of Terminal 2.

Tokyo, 12 October 2012: Narita International Airport is pleased to announce the new facilities for domestic passengers at the north side of Terminal 2 will open on Tuesday, 23 October 2012.

Following the completion of similar facilities at the south side of the terminal on 12 September 2012, these new facilities will offer even greater convenience for domestic passengers using Narita Airport.

It is our commitment that we will continue to improve our services and provide more satisfaction to our customers in using our facilities.

■ North Side Domestic Facilities (for AirAsia Japan)

2-storey (total floor space of approximately 3,200 square meters)

1st floor: Security screening checkpoint, departure bus-gate lounge, shops

2nd floor: Offices

Terminal 2
