Seamless business jet transfers

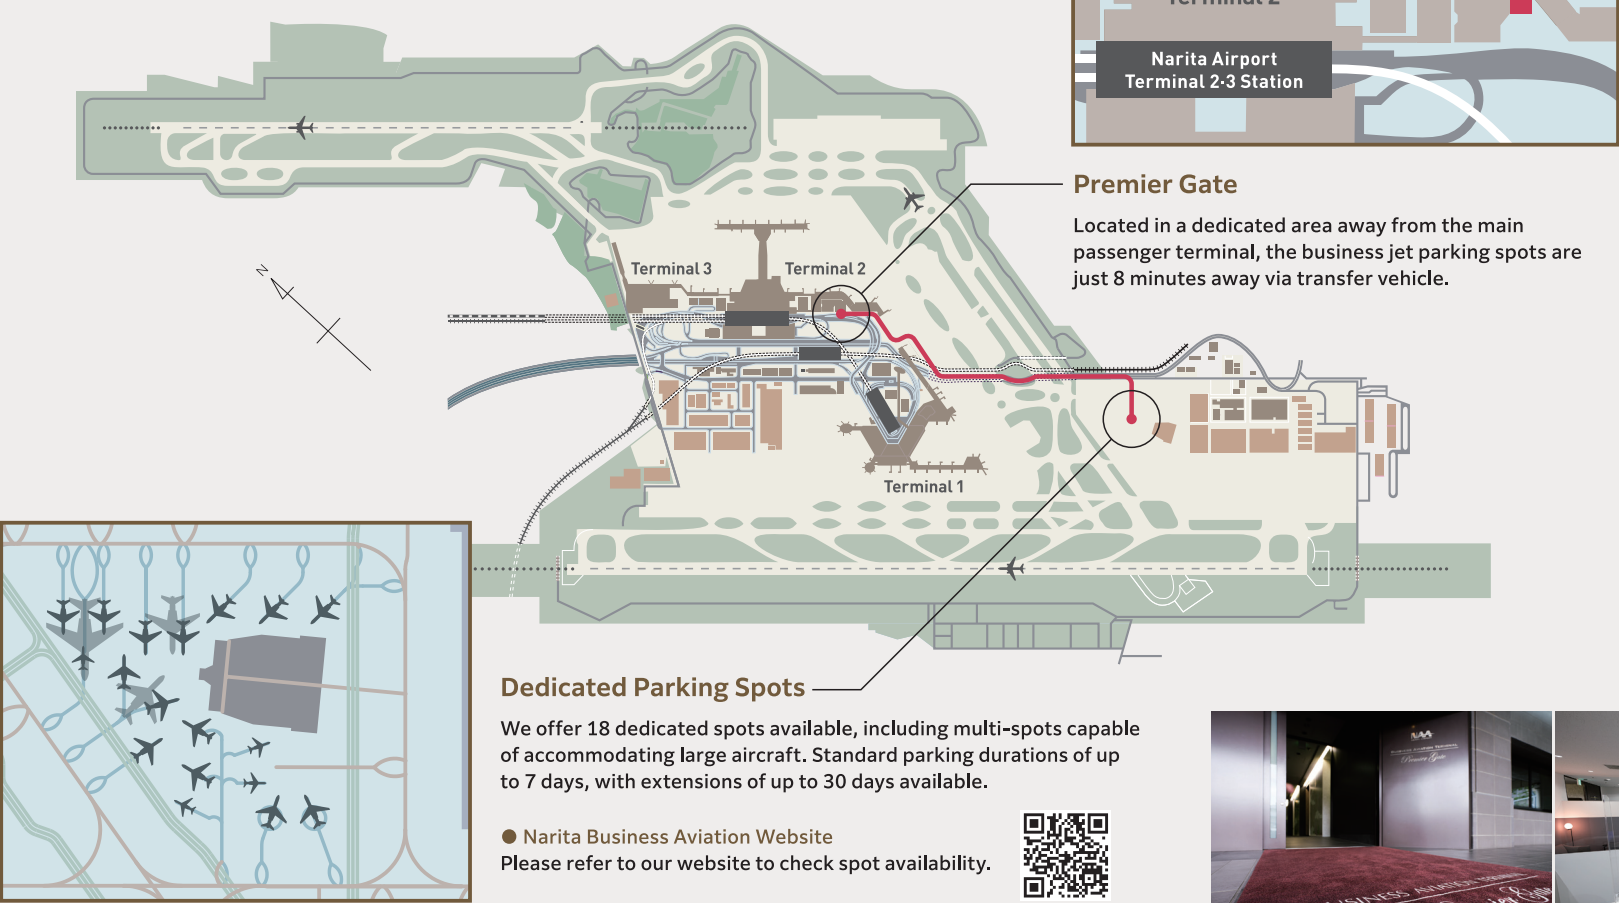

A premier aviation hub providing seamless business jet
connection between Japan and the world.

Supporting both domestic and international business jet operations,
our integrated terminal ensures seamless connections between
domestic and international flights. We maximize time saving for our
passengers by minimizing travel between facilities. As a dedicated
business jet hub, we maximize your mobility by catering to diverse
travel needs: from domestic transfers within Japan to seamless
international flights.

Location guide

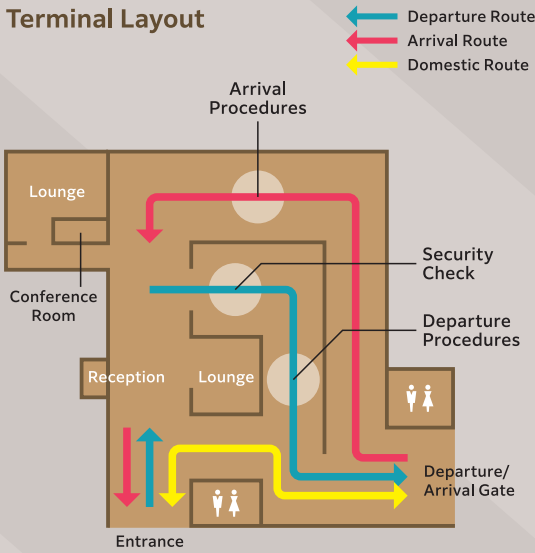

Featuring a dedicated terminal and aircraft parking spots, we offer a fully integrated infrastructure to support the smooth operation of business jets.

Facility overview

Our dedicated terminal exclusively serves both international and domestic business jet passengers and crew. Equipped with integrated CIQ (Customs, Immigration, Quarantine) facilities and a streamlined layout, the terminal provides swift and seamless transit with minimal movement. In addition, our refined lounges and conference room offer a luxurious and comfortable space designed to help you maximize your valuable time.

Terminal Layout

〈 Operating Hours : 6:00 AM – Midnight 〉

Entrance

A dedicated drop-off zone located directly in front of the entrance provides smooth and seamless arrivals and departures. Parking is available both underground and in front of the facility.

CIQ

Dedicated CIQ facilities available exclusively to business jet passengers, ensuring swift completion of procedures with no waiting in line.
*Facility providing customs, immigration, and quarantine services

Lounges

Our two luxurious lounges ensure a refined and comfortable experience replete with snacks and beverages. Take some time to relax prior to departure or following arrival.

Conference Room

Available for meetings and negotiations before departure or after arrival. Rooms are fully equipped with a wide variety of amenities, including monitors and web cameras.

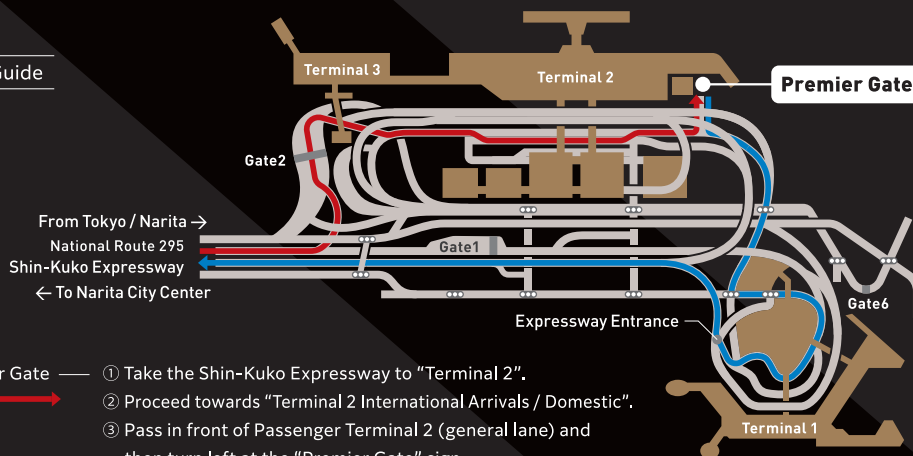

Access

Access to Central Tokyo

Route Guide

- Premier Gate — ① Take the Shin-Kuko Expressway to "Terminal 2".
② Proceed towards "Terminal 2 International Arrivals / Domestic".
③ Pass in front of Passenger Terminal 2 (general lane) and then turn left at the "Premier Gate" sign.
- To Tokyo — ① Turn left from the "Premier Gate" exit and proceed towards "Terminal 1 International Departures".
② Proceed past Terminal 1 (general lane) toward the expressway entrance.

＜ Important Notes ＞

■ Reservations must be made by 15:00 (JST) the day prior to use. ■ Reservation Change Deadlines: ① For changes within the scheduled date to a later time: up to 90 minutes prior to the originally set time. ② For changes within the scheduled date to an earlier time: up to 90 minutes prior to your newly requested time. ③ For changes to a different date: up to 90 minutes prior to the originally set time, or by 15:00 on the day prior to the newly requested date, whichever is earlier.
