Japanese Hospitality - March Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In March, we present demonstration in ukiyo-e woodblock printing, calligraphy, Japanese paper doll making and kite making.

Please see the attachment for details, including times and locations.

Origami Museum

Origami is a tradition recreational pastime in Japan whereby paper is folded into different shapes. The idea is to entertain people with origami animals, flora and landscapes made. We present a variety of these works for your viewing entertainment.

Cherry Blossom Photo Spot

Photo opportunities with the symbolic flower of spring in Japan, the cherry blossoms, will once again be available at Narita!

Enjoy this beautiful atmosphere resembling a garden in early spring with ornamental garden rocks and cherry blossoms and Osaka Castle in the background, this time. Capture springtime in Japan with a souvenir photo before you depart.
