## SPRING JAPAN to Launch Narita - Nanjing Service on 22 January 2021

SPRING JAPAN will launch a new Narita - Nanjing service on 22 January 2021. With this new route, the airline will serve seven Chinese cities from Narita.

Nanjing is one of the four ancient capitals of China dating back more than 2,500 years, during which has long been the political and cultural center. It is the hub of the Yangtze River Delta megalopolis which is the driving force behind the contemporary Chinese economy.

The launch of the new Nanjing service is expected to provide greater customer convenience, deepen interaction between the two nations and contribute to the development of economic growth.

Narita Airport remains committed to expanding its route network in order to provide an even more convenient selection of destinations for its customers. SPRING JAPAN'S new Nanjing service is a further addition to Narita Airport's extensive route network.
