## SPRING JAPAN to Launch Narita - Shanghai Pudong Service on 12 December

SPRING JAPAN (IATA code: IJ) will launch a new service between Narita and Shanghai Pudong Airport on 12 December 2019. With a flight schedule that takes full advantage of Narita Airport's operating hours, even passengers on a short holiday can enjoy a trip to Shanghai. Passengers can visit Shanghai after their work and fully enjoy the city right up until late in the evening.

Spectacular Waitan is a popular location in Shanghai because of its European architecture as is Yuyuan where visitors can become fully immersed in ancient Chinese surroundings. Yuyuan has souvenir shops, Chinese teahouses and curiosity shops. etc., so there is bound to be something to catch the eye of any visitor.

Narita Airport remains committed to expanding its network of destinations so that we can offer a greater level of convenience for our customers. Take advantage of Narita Airport's extensive network, now bigger and better with SPRING JAPAN's new Shanghai-Pudong Service.
