

## Narita Airport announces Opening of Facilities for Domestic Passengers at the South Side of Terminal 2.

Tokyo, 30 August 2012: Narita International Airport is pleased to announce that the new facilities for domestic passengers at the south side of Terminal 2 will open on Wednesday, 12 September 2012.

With the completion of these facilities, we are now able to offer even greater convenience for domestic passengers at Narita Airport.

Announcement will follow shortly as to opening date for the domestic facilities at the north side of the terminal, which are currently under construction.

We remain committed to providing our valued customers with an even better airport.
