

8th/November/2018

Vegan restaurant "T's Tantan", and "TOKYO-TONKOTSU-BASE MADE by IPPUDO" Opened in Terminal 2.

On 27th November, "T's Tantan" and "TOKYO-TONKOTSU-BASE MADE by IPPUDO" opened on a same day at Narita Airport Passenger Terminal 2, 4th floor above the Passenger Security Screening Area.

"T's Tantan" is a specialty vegan restaurant that will also suit vegetarians since it uses no animal products (meat, seafood, eggs, dairy, honey, etc.). "TOKYO-TONKOTSU-BASE MADE by IPPUDO" offers Tokyo style tonkotsu soup ramen produced by popular ramen chain IPPUDO!

We urge you to drop in at these two new restaurants which now add more variety to the extensive culinary lineup in Terminal 2.

Opened on 27th November 2018

VEGAN

自由が丘
T's たんたん 

Vegetarians, people with allergies and others with dietary restrictions can now all join the same table and enjoy delicious and healthy menu. Try the "smile vegies" with flavors that will light up your face.
