Release of Integrated Report 2025

- Overview of Narita Airport's Future Vision and Value Creation Initiatives -

Narita International Airport Corporation (NAA) has released its Integrated Report 2025 to communicate its social purpose and value propositions of Narita Airport to the stakeholders. The report can be accessed on the NAA official website.

URL: <https://www.narita-airport.jp/en/company/media-center/publications-pamphlets/tougou-report/>

This report presents how Narita Airport creates long-term value from perspectives such as its role and mission as a social infrastructure, as well as its relationship with stakeholders. In addition, we have updated the report's structure from the previous ESG-focused layout to one that highlights our value creation story with more clarity.

The NAA Group remains committed to achieving sustainable growth together with the local community and society, and communicating our efforts to the stakeholders in a clear and accessible manner.
