

6 February 2020

Japanese Hospitality - February Program of Events -

We are once again hosting more events that highlight the unique aspects of Japan to enable travelers from overseas to experience our culture and encourage them to visit us again.

In February, Beautiful Obis Used in Japanese Weddings, Bonkei Exhibition.
Please see the attachment for details, including times and locations.

Beautiful Obis Used in Japanese Weddings

An exhibition of kimono obis tied in styles that resemble various flowers.

A display of traditional Japanese wedding attire featuring a wedding kimono worn by the bride and the formal black-crested haori and hakama worn by the groom, as well as obis tied in shapes to resemble the flowers of spring.

Have a photo taken together with this traditional Japanese attire.

Bonkei Exhibition

Bonkei is the traditional Japanese art of creating a miniaturized three-dimensional expression of a natural scene. The incorporation of perspective allows the viewer to feel the depth of the scene as if they were looking at the real thing.

Don't miss some famous scenery crafted with delicate techniques.

Introducing Traditional Japanese Culture

Held every day !

The cultural experience events take place on the airside beyond outbound passport control.

February will feature a demonstration of Ukiyo-e woodblock printing. You will have the opportunity of taken home pieces made by the staff as souvenirs.
