Experience the Spirit of Japan: October Cultural Showcase

At Narita Airport, we are offering visitors from overseas the opportunity to experience the unique charm of Japan and engage with its rich cultural traditions.

In October, we will host two exciting events: a Food Sample Making Workshop and "Glaft!", an immersive interactive experience presented with the support of 1-10, Inc. Held at the venue of our popular daily events, "Glaft!" invites participants to create their own original glider and launch it into a digital space for a unique interactive experience.
